

Toy Gift Guide

Below is a list of different toy ideas that are suitable to be donated to the Wishing Tree. Have fun going through this list and deciding which fun toys you would like to donate this Christmas!

Some quick tips for buying your Wishing Tree gifts:

The list below contains gifts from a number of different price points ... simply choose a gift / price point that works best with your budget.

Be sure to take your gifts to the Wishing Tree in a timely manner. This will allow for the gifts to be delivered in time for Christmas.

As pretty as the above gift-wrapping looks, it's not necessary to wrap your Wishing Tree gifts ... and some charities may prefer the gifts to be unwrapped ... so check first before wrapping.

Gifts for the Wishing Tree are needed for all ages ... younger children, teenagers and parents ... and gift vouchers can make a great gift for the older age groups.
